

# Envelope Clarification Guide

We give thanks to the Lord as he moves people's hearts to support the Gospel ministry here at St. Matthew's. We offer the following guide to help you direct your gifts as it relates to the various offering envelopes and online options that are currently available.

**Forward in Faith** (The Red and Black Logo shown here) is the Capital Campaign that ran from 2016 to 2020. This envelope was also included in the 2021 envelope boxes. Gifts given through this currently help make the mortgage payments for the School and First Steps Project.

While this envelope is *not* in the 2022 packets, gifts can still be directed to this fund from our website. Click on the dropdown menu under GIVE and select "FIF – School and First Steps Project Loan Payment." When our new Fiscal Year begins in July 2022, the FIF will be incorporated into the Unified Budget.

***Please do not use this Envelope if you intend to give to the New Church Building Fund.***

---

**These Large Envelopes with the NEW FORWARD LOGO are to be used for Commitment Cards only.** Do not include any cash or checks in them. Commitment Sunday was Dec. 5, 2021. If you would like to submit a commitment card, you may do so at any time.

This FORWARD Capital Campaign runs from October 2021 to December 2024.

**These blue FORWARD NEW CHURCH BUILDING FUND Envelopes** are included in your 2022 Envelope boxes. Use these envelopes to fulfill your Commitment to the FORWARD Campaign and support the construction of our New Church and classroom editions.

**These White Envelopes** are extra ones that can be used NOW for those who wish to designate a gift to the FORWARD NEW CHURCH BUILDING FUND. These are available on the Information Table and from the Church Office.

**You can also direct your gifts online through our website. Under "GIVE" select "FORWARD 2024" to set up reoccurring or one time gifts.**
