

# Upper Grade Art Club News/Registration

Who? Students in grades 5-8  
(limited to 15 students)

When? 3 Mondays in October from 3-4pm  
(October 10, 17, and 24)

Where? In the Art/Science Room

Cost? \$10

All registrants should bring a quick snack with them to eat before club time officially starts at 3:00. Mrs. Amanda Kaepernick will be leading this club. She is one of our school assistants and led both our upper and lower grade Art Clubs last year.

Over the three weeks we will construct “pumpkin yarn art.” The children will use balloons, yarn, and lots of glue to construct their very original 3D pumpkins or jack-o-lanterns. All participants will take home several nice looking fall decorations when we are finished!

**All interested children will need to provide the completed registration below and the \$10 fee to the school office by Monday, October 3.**

Please send any questions to Mrs. Beth Ziel ([bziel@smls.org](mailto:bziel@smls.org)).
