

Robotics Club

St. Matthew's Robotics Club News/Registration

Who? Students in Grades 5-8 (club limited to 12)

When? Thursdays from 3:00-4:15pm beginning on October 13 and extending into 2023.

Where? In the Art/Science Room at St. Matthew's

Cost? \$20

Our Robotics Club will begin soon! All registrants should bring a quick snack with them to eat before club time officially starts at 3:00. Mr. John Charais, our club leader, has experience working with robotics clubs previously and started robotics at St. Matthew's in 2018. He graduated with an electrical engineering degree from UW-Platteville and has spent the last 20 years working for Microchip Technology Inc.

All interested children will need to return the completed registration below and the \$20 fee to the school office by Monday, October 3.

Please send any questions to Mrs. Beth Ziel (bziel@smls.org)
