

Summer Camp 2023
You Are God's Workmanship
Ephesians 2:10

Dear Parents,

Our summer planning is under way at First Steps. We are excited to offer a fun program "You are God's Workmanship" an art themed camp. This program will work through different mediums, while having hands on experiences, studying art and artist from around the world. Summer Camp will run from June 12 - August 11.

Here is a summary of our program:

Summer camp is for children entering 5K - 6th grade. Depending on the amount of children registered we may have two separate groups broken down by classes, 5K & 1st grade and 2nd-6th grade.

There will be a daily schedule that includes devotions, summer reading challenge, an introduction to sports, and many age appropriate activities while spiritually growing in Christ. Field trips will be on Tuesdays and Thursdays each week. You will receive an email with the location and cost of the field trip. If your child will be attending on a Tuesday and/or Thursday, it is **mandatory** they go on the field trip. You will receive a charge the last Friday of the month for the next month's field trips. Weekly tuition will be billed separately from field trips.

You will be required to submit your child's summer schedule form with your registration to ensure your child's spot. List the days and general drop-off and pick-up times. Days must be consistent week to week.

Daily rates are \$56 per day or \$270 for a full week. Two snacks and lunch are provided.

If your child was already registered with First Steps for the 2022/2023 school year, you are registered through the summer and will not be charged an additional registration fee.

Tuition is due Fridays prior to the next week of service. Tuition can be taken by EFT, payed online by credit card, or by check in the office (listed in the preferred order).

We look forward to a great summer at First Steps. Please return the summer schedule form attached to this letter by May 1 to ensure your child's spot.

Blessings,
Amber Terry
